

# CAPABILITY STATEMENT.

**Car Freight Australia** is a reputable and reliable car freight company operating exclusively in Western Australia. We specialise in transporting mine-spec vehicles, catering to the unique needs of the mining industry in the region. With a commitment to safety, efficiency, and quality service, we have become a trusted partner for companies in the mining sector.

# CORE COMPETENCIES:

## 1. Specialisation In Mine-Spec Vehicles

We have **extensive experience in handling and transporting** mine-spec vehicles, including heavy-duty trucks, 4x4s, and specialized equipment, ensuring their safe and secure delivery to remote mining sites.

## 2. Regional Expertise

Our **in-depth knowledge** of Western Australia's road networks, regulations, and local conditions allows us to plan and execute efficient and on-time deliveries, even to the most remote locations.

## 3. Safety First

**Safety is our top priority.** We adhere to strict safety protocols, ensuring the proper securing of vehicles, compliance with transport regulations, and regular maintenance of our fleet to prevent any accidents or damage during transit.

## 4. Customized Solutions

We offer **tailored transportation solutions**, including the use of specialized trailers and equipment to accommodate various vehicle sizes and configurations. Our flexibility allows us to meet the specific needs of each client.

## 5. Reliable

Car Freight Australia is known for its **reliability**. Our clients trust us to deliver their valuable mine-spec vehicles on schedule, reducing downtime and keeping their operations running smoothly.

## EQUIPMENT AND FLEET:

Our well-maintained fleet includes a range of vehicles and trailers designed to transport mine-spec vehicles safely and securely. **We regularly update and expand our fleet to meet the evolving needs of our clients.**

# CERTIFICATIONS AND COMPLIANCE:

We are fully compliant with all relevant transport regulations and hold the necessary permits and certifications to operate as a car freight company in Western Australia.

## CLIENT BASE:

Our satisfied client base includes mining companies, equipment suppliers, and contractors who rely on our expertise to transport their mine-spec vehicles across Western Australia.

**Car Freight Australia is your trusted partner for  
the safe and efficient transportation of mine-  
spec vehicles in Western Australia.**

Our expertise, dedication to safety, and commitment  
to quality service make us the ideal choice for all  
your car freight needs in the region.
